**ENTRY RULES**

- Only athletes aged 16 or 17 on 31 December 2015 (born in 1998 or 1999) may compete.
- A maximum of two athletes from any one Member can compete in each event (with the exception of the Relays).
- Three athletes can initially be entered per event, provided each has achieved the

Entry Standard, but only two will be allowed to compete.

- The **maximum number of events** that an athlete can compete in is two individual events plus the Relay. If the two individual events are Track Events, only one of these two individual races may be longer than 200m.
- There are no entry standards for the 4x400m Mixed Relays so every Member may enter one team for each **relay race**, composed by a maximum of six athletes. Any four athletes (**two boys and two girls**) among those entered for the competition, whether for the relay or for any other event, may then be used in the composition of the team for the first round.
- Unqualified athletes:
  - Members who have no male and/or no female **qualified athletes** whom they wish to enter may enter **one** unqualified male athlete or one unqualified female athlete in one event of the Championships (except the Combined Events).
  - Member Federations who have no male and/or no female qualified athlete but whose best athlete excels in a **field event**, may submit to the IAAF, by the time of the Preliminary Entry deadline, the name of their athlete plus performance they would like to enter in the field event. The Technical Delegates will make the final decision and, to do so, may seek the opinion of the relevant Area Association.
  - Names of unqualified athletes **must be submitted to the IAAF by 31 May 2015**. If another athlete then achieves the entry standard before the end of the qualification period, it will be possible to change the entry accordingly.
- If the **host country** of the World Youth Championships does not have an athlete qualified in an event, it may enter one athlete in this event regardless of any entry standard.
