### IMPLEMENTATION AND INTERPRETION OF RULES

The preparation, implementation and subsequent interpretation of the participation & technical rules of this competition rests solely on the MAA or any of its delegated body/person. Any decision taken accordingly, as per, and in line with, established procedure (including protest & appeal), will have to be considered as final and accepted, respected & abided by all those concerned.

### FREE NEW MAA 2018 LICENSES FOR U12 & U14 CATEGORIES

In order to encourage massive participation in these Championships, the MAA will take charge of the costs of **new** MAA 2018 licenses of participating athletes in the BOM Championships in the U12 & U14 categories.

This offer is valid for new licence requests made during period 15<sup>th</sup> September to 26<sup>th</sup> October 18.

### ELECTRONIC ENTRIES

All entries must be carried out electronically on the appropriate e-registration file that will be sent to each Club by email at least two weeks prior to the qualifying rounds.

The Club Officer will register each entry by simply imputing the athlete's unique MAA License Number and choosing the event from a pre-established drop-list in the e-file. One event per row.

Complete finals entries will have to reach MAA, **by return email**, at latest Friday 26<sup>th</sup> October 2018.

No late entries, manual entries nor modifications will be accepted thereafter. However, withdrawals are accepted until two days before the competition date.

MAA will ensure that at least one member of each Regional Committee is familiar with the electronic entry system and they will be able to provide the relevant support to Clubs accordingly.

### WORKSHOP ON ELECTRONIC ENTRIES

In order to help Club Officers to familiarize themselves with the electronic-entries, a workshop will be organised by MAA – a tentative date has been earmarked for Saturday 6<sup>th</sup> October 2018.

Details and invitation will follow in due course.

### QUALIFYING ROUNDS

The qualifying rounds for the national events will be held at the Maryse Justin Stadium as follows :

- U14 : Saturday 27<sup>th</sup> October 2018 (Heats : Jeux des Jeunes Talents 18)  
*(Note : U14 athletes who are qualified for the finals of the Jeux des Jeunes Talents will also be automatically qualified for the finals of the BOM Youth Championships)*
- U12 & U16 : Saturday 3<sup>rd</sup> November 2018

### NO-SHOW FEE

The preliminary heats are worked out based on the entries of the Clubs. This is a very tedious and time consuming administrative and technical task that is done meticulously so as to ensure that balanced heats are drawn up. Hence, it is the duty of the Club Officers to ensure that only athletes who will participate in the Championships are entered in the system.

A No-show fee of **MUR 25/-** will be perceived for any athlete who has been duly registered by the Club but fails to participate in the qualifying rounds.

### NUMERAL BIBS

The organisers will hand over the numeral bibs and the start list to the Club Officer at least one day before the competition. Unless exceptional unforeseen circumstances, no bibs will be distributed on the day of the competition itself.

The Club Officers should ensure that the proper numeral bibs are allocated to the athletes as per the start list of the competition. Athletes not wearing the appropriate numeral bib (including wearing the bib of another athlete) or competing without one will be automatically disqualified.

It is also the duty of the Club Officers to return to MAA all numeral bibs immediately after the end of the competition. A fee of **MUR 50/-** per unit will be perceived for any unreturned or lost bib.

### IN-FIELD COACHING

*Coaches and parents are strictly not allowed on the track or infield at any time.*

The infield is for Technical Officials & Competing Athletes only. Parents & Coaches are not allowed on the infield, those found to be in violation of this guideline risk disqualification of their athletes. They are requested to stay outside of the perimeter fencing and within the allocated Zone for Coaches.

A list of Technical Officials and duties is attached for ease of reference.

### HEALTH & SAFETY

Health & Safety of all participants is of the utmost concern for the organisers.

It is the responsibility of ALL Club officers and coaches to ensure athletes are fit and adequately prepared to participate in their events on the day of competition. They must also ensure that the athletes take the appropriate nourishments and refreshments prior, during and after the competition. Clubs must also prepare and have available at all times refreshments, fruits & snacks as may be required by the athletes from time to time.

In the event an athlete fails to exhibit the required or expected level of health, fitness and proficiency in a discipline, so much so that the athlete represents a health/safety hazard for the participants (including him/herself), the Club officer/coach may be contacted and the athlete sympathetically requested to desist from competition.

## FAN CLUB CONCEPT

In order to encourage a wider spectator and supporter base for each individual Club, the organisers are introducing the concept of FAN CLUB.

Each participating Team will be encouraged to set up a Fan Club that will be composed mainly of parents, siblings, family, friends, friend of friends, etc .

This Fan Club concept will help generate a joyful, noisy & participative atmosphere in the Stadium during these Championships and will be a welcomed encouragement for participating athletes.

In order to encourage maximum participation of Fan Clubs, a Best Fan Club Trophy will be allocated.

Among the **main** criteria defined for the allocation of the Trophy are :-

- Number of fans
- Visual presence
- Vocal Support & Animation
- Respect for the Environment & Competitors
- Fair play

## CLUB LOGO

The organisers have also decided to recognise the tremendous work done by participating Clubs.

To that effect, the Logo of each Club will be integrated in the official program. Furthermore, a banner will also be deployed in-field with the names & logos of all Clubs.

Hence, each Club are invited to forward to the MAA, at the earliest possible, its logo in quality (high pixel/resolution) JPEG, PNG or PDF formats.

For those clubs who do not have up to now a logo, they are invited to do the needful to create one which will reflect the uniqueness of their Club, before the Championships.
